**13. COMMISSION DECISIONS AFTER HEARING:**

14. MISCELLANEOUS ITEMS:

- a. Questions from Auditing regarding the collection of taxes at NH wineries as follows:

1. 5 % tax on all retail sales at the winery and farmer's markets.
2. 5% tax on wholesale sales to NH Licensees for resale.

Taxes are not being collected on sales to the NH Liquor Commission, on sales to out-of-state vendors, and on product used for tasting at the winery. Is this correct based on your reading of the statute?

Taxes are being collected on product used for sampling and tasting outside the winery and on products shipped directly to out-of-state consumers or retail businesses (direct shipments). Is this correct procedure as you read the law?

Does this agree with your reading of the winery statute or are there are areas of concern? I am requesting a review due to the increase in direct shipments to out-of-state individuals and businesses which are outside the normal wholesale channels.
